

Satire Humor Presentation

By: Elayna Parkhust

Major Influence: The Onion

**Dog Feels Like He Always Has
To Be 'On' Around Family**

**GOP Officials: Kavanaugh Shouldn't
Be Held Accountable For Something
He Did As White Teenager**

**'No Way To Prevent This,'
Says Only Nation Where This
Regularly Happens**

“I told you the couches were a fire hazard,” says fire marshall after dousing them in gasoline.

Student is confident in their ability to fit 500,025,600 minutes of instructional videos into one night of hard work.

Person in the car in front of you still only going 50 in a 25 zone after being tailgated for two blocks.

Financial aid packet offers hard-working student a generous \$21 per year.

Study shows direct correlation between removing your muffler and a false sense of superiority.

“There was absolutely no parking,” says student entering classroom 40 minutes late with a rotisserie chicken.

Person's ability to turn a blind eye increased with the promise of a chicken sandwich and waffle fries.

**Teacher still confident in ability to teach humor unit after
joke doesn't land.**
