

Sorry for the unprofessional audio. It was the day I am basically done with everything but still wanted to show you my hard work and me answering the questions.

Date and time of my Showcase Presentation: Tuesday, May 24 at 6:30pm

Location: WebAudio Room

Teacher Panelist: Mr. Florendo

Prof. Panelists: Brian Faeh and Sherry Scott Leikach

Guest Panelist: Rocio Robles.

Outline:

I. Introduction:

- A. Name : Karen Ann Quero
- B. Studying MVHS
- C. Been Attending Freestyle for 2 years
- D. Web Audio student
- E. I just wanted to say that I am thankful to be a student here (FS) and meet new people.

II. Focus of presentation: Documentary Websites the difference and the growth.

- A. Junior year Doc. Show website of the doc. that even though it is not finish I am still proud of it.

- 1. Main purpose of the showing website was to inform but also to entertain (*show the special gem of unfinished project prototype*)
- 2. Inspiration: my love on creating website for others. Discovering a special Gem inside an ordinary house \*restaurant in downT
- 3. Read excerpt from Research Paper: Parts of the transcript that stood out. ( the insight of heart of Chez TJ( Person)
- 4. Greatest learning experience from this project = learning interview skills (finding time and place plus being \*confident), finding stories in interview stories audio, connecting current secondary sources (*Attitudes Towards Food French V.S American*)
- 5. Could have worked more on the Content and managing time more to make it more interesting, correct, and complete.
- 6. *21st C. Skills:*
  - a) earned to push my comfort level: take risks (interviewing)
  - b) Technological literacy (using databases)
  - c) Social responsibility (documenting a hidden place and to expose it and to show the world it's (*Chez TJ*) values)

B. Profile Documentary (show magazine, show website commercial)

- 1. Person-focused (The star character and show Bio section of why and the struggles)

2. Inspiration was teachers: I wanted my teachers and how they make a lasting impact on a student. (Mr. Perez)
3. I was exposed to the true nature of Hector Perez's life like how school and house is the same rule (daughter) and his passion (softball and teaching) to his kids in Mv so helpful and love them. (show photogallery)
4. Read excerpt from website about him and show picture of teach and you.
5. Learned overall is the impact his done to the community read part of the commercial text.
6. More Skills:
  - a) Self-direction and risk taking ( to realize I have to complete projects like our innovator project and taking a free new perspective.
  - b) High productivity - Magazine working on it until I completed it and happy on the final product even if it's late.
  - c) Creativity - How can I innovate a project that I worked on but express one else. Like Hector Perez and who he is on the website.

C. Growth at Freestyle and post-high school plans:

1. Storytelling skills ( making the contents before it made it to the website)
2. Writing for real audiences and arrange the content I've written on the web.
3. All of the above will help me in college next year in Design. Layout what I wanted to produce but also to create meaningful content for the web( what I'm modate at.), which will make me more well rounded as Graphic Design or Studio Art Major.
4. Beyond college: As time goes on there are more Animated movies (examples) I want to be part a team that produces story-driven animations. With a purpose to tell a meaningful story in a form of art (simply understood)
5. Learning from a many different perspective on one research paper. How to research effectively organizing meaningful sources(videos, databased, and newspaper article)
