

This cult has been running since 1855, when Abraham Lincoln signed a contract with his business partner to start the cult, after realizing that the loops are the greatest source of power.

His fifth cousin was

the first leader of the cult.

For every new leader, the hat gets longer. The

goal of this cult

is to spread its

ideas and to

last

forever.

WELCOME
TO

THE
LOOP
CULT

If you want to join the
lööp cult, call
(650) 420 - LOOP

Vice - Brøther Toucan Sam

We got all kinds of
loops! Froot Loops,
Honey Nut Cheerios,
regular Cheerios, bagels,
donuts, even calamari!

The lööp cult is a cult that specializes in all thing lööp. The only thing you eat is lööp. The only person you talk to is lööp. If you want access to the outside world, you must go to the one and only Big Brøther, and request to be freed from the lööp. The only thing you own is lööp. The only thing you worship is lööp. It is all a matter of commitement. The best way to show your appreciation for the loop is to give up everything else you have going for your life, and pledge your allegiance to the lööp. The benefits of the loop is that you get to have a new view on life. Everything you thought to be fantasy now becomes a reality. Did you ever want to be rich, go right on ahead and be rich. Did you want to have a PhD, go right ahead. I warn you, once you start down the lööp path, forever it will dominate your destiny, consume you it will. You will never be the same person you once were. Either keep the life you had, or change everything about it. No in between.
